

REMARKS

A. Restriction Requirement

The claims have been restricted into the following three groups:

Group I, claims 1-45, drawn to compositions;

Group II, claims 46-75, drawn to methods of making compositions; and

Group III, claims 76-123, drawn to methods of treatment using such compositions.

Applicants elect Group I, claims 1-45, **with traverse**. Applicants traverse the requirement on the grounds that the search and examination of the three groups of claims is not unduly burdensome.

Applicants now await early and favorable action on the merits. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

B. Conclusion

The present application is now in condition for allowance. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
